

# CONCORDIA INNOVATIVE FINANCING COALITION

## Concordia Innovative Financing Coalition Inaugural Gathering

The 2018 Concordia Americas Summit  
July 16-17, 2018  
Bogotá, Colombia

The Concordia Innovative Financing Coalition (CIFIC) is a collection of companies, multilateral institutions, NGOs, and public sector representatives within the Concordia community dedicated to advancing the awareness, knowledge, and policy related to innovative financing models that promote sustainable and impactful economic growth.

Established in 2018, the founding members of the CIFIC will set actionable goals in regards to policy frameworks that must be addressed to support and incentivize blended financing globally as well as educate governments on best practices and impact potential. The CIFIC will publish a yearly report of the latest trends and needs in the innovative and blended financing sector based on the discussions had throughout the year, and list the major needs in the space to be addressed the following year.
